Dear Mr. Chapman.

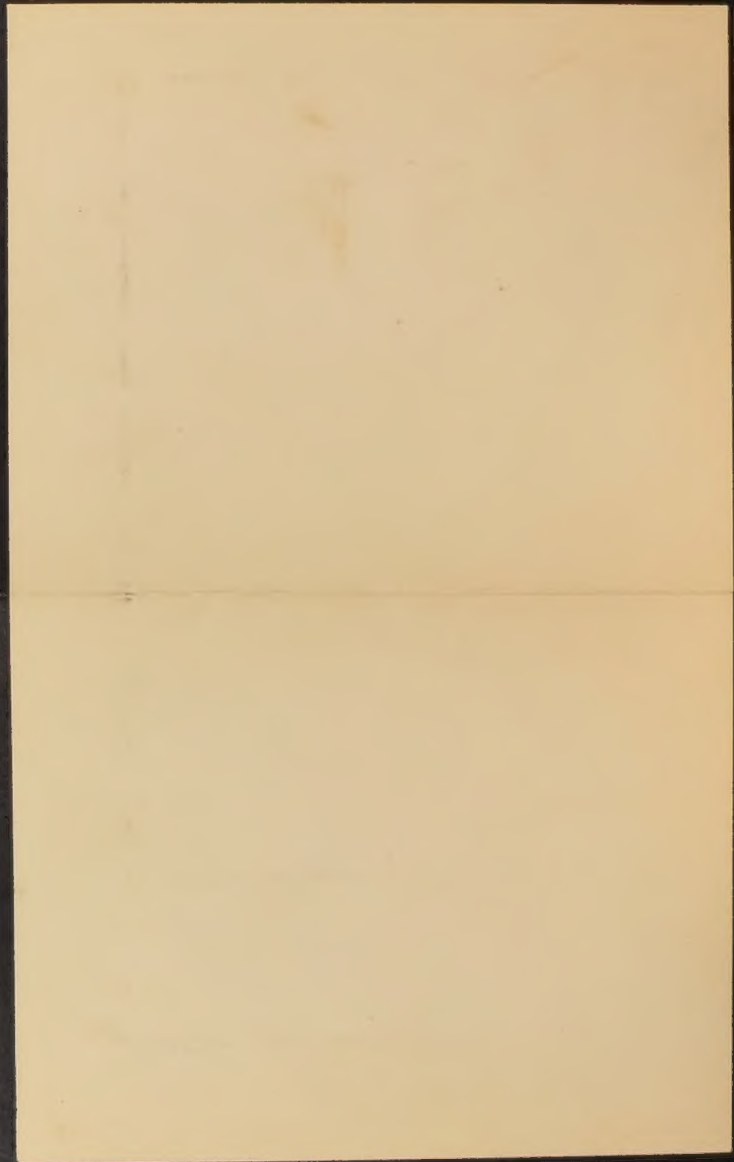

I have just lost my Mother. Among her effects I find 7 gold dollars, and 9 three dollar gold pieces and two octagon half dollar gold pieces. What is the best you will give

for them. Kindly advise
by return mail, as I
need all I can get to
settle up her accounts.

They are in good condition
and you know that I
know what good condition
means. Awaiting your
reply

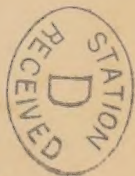

Very truly
Helen Marion Smith

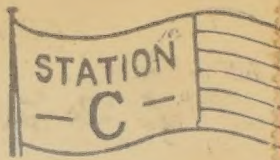

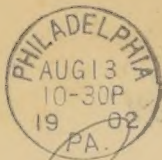

Wednesday.
